What's happening between now and next Refugee Week?

We are encouraging events organisers to join in on [Simple Acts](#).

Simple Acts is about inspiring people to use small, everyday actions to change perceptions of refugees.

It consists of 20 actions that can be done by anyone and that encourage us to learn and do more with refugees. With every person who joins the campaign and does a small thing with and for refugees, we get a little closer to removing barriers between communities and to creating the kind of world we all want to live in.

We believe that by encouraging lots of people to do these simple, seemingly insignificant acts – read a book, tell a story or share a dish – we can begin to make lasting changes to the world around us.
