Applications for the 2012 Rayne Fellowships are now open. The fellowships are a programme that supports individual refugees to develop a 'Big Idea' – an

initiative that will positively impact their community .

Applicants should be over 18 . Successful applicants will receive the right support, resources and training to turn their vision into reality and make a real difference to people's lives. Each year, five people will be selected for the Fellowships. They will be able to draw upon a resource fund of up to £15,000 to be spent on personal development, further training or education, resources, expert advice, one-to-one mentoring and attending networking events.
